

# LINDSAY-STRATHMORE IRRIGATION DISTRICT

POST OFFICE BOX 846

TELEPHONE 559-562-2581

LINDSAY, CALIFORNIA 93247

## NOTICE TO LANDOWNERS

March 23, 2018

The weather patterns have produced a good amount of rainfall and snowpack during the last 3 weeks. Despite information that would support a higher allocation, on March 22, 2018, the Bureau of Reclamation raised the allocation for Class 1 water to 60%. This is equivalent to 16,500 acre-feet for the District. With Lindsay-Strathmore Irrigation Districts' access to other surface supplies staff recommended removing the allocation for the 2018-19 water year.

**Therefore, until further notice, the Board of Directors has authorized a full water allocation effective immediately. The District may send additional allocation updates as the water supply season progresses.**

**HOWEVER, BE ADVISED THAT THIS AMOUNT OF WATER MAY BE SUBJECT TO CHANGE IF THE WATER SUPPLY IS REVISED BY RECLAMATION.**

---

The Board also approved the water rates for this year. Water rates will remain the same as last year, as follows:

Main Pressure Zone - \$112.50/Acre-Foot

Hi-Level Pressure Zone - \$115.50/Acre-Foot

El Mirador Pressure Zone - \$139.50/Acre-Foot

---

You are also requested to fill out the attached Crop Survey. We are developing GIS data for the District and it is imperative that we get accurate acreages for the many crops grown throughout the District.

Please return the Crop Survey to the District by April 20, 2018.

Please contact the District office at 559-562-2581 if you need further information.
